### **Access to information and expertise**

Members have exclusive access to the "Members' Only" section of our website, which contains a wealth of information on key matters affecting the consumer credit information industry.

### **News**

Members receive information on key developments affecting the industry with our Weekly Bulletins and regular Newsflashes.

### **Influence policy and shape legislation**

Task Forces and Working Groups within the Association provide opportunities for members to work on issues facing the industry, giving them a chance to influence policy and contribute to the shaping of legislation.

### **Networking**

Access to colleagues from around Europe that work in our industry to share ideas and information.

### **Events**

Opportunity to attend our General Assembly and Annual Conference each year in June and Members Round Table in December where issues of relevance to our industry are discussed and where you will have a chance to influence the work of the Association.

### **Logo**

Members are able to use the ACCIS logo on their website and selected publications.
